## **Perception Wide Format Media / Worthen Inc. Joins SGP Community**

**Sayville, NY:** The Sustainable Green Printing Partnership is pleased to announce that **Perception Wide Format Media / Worthen Inc.** has become the most recent **SGP Patron** at the silver level. As industry leaders dedicated to promoting sustainability, SGP Patrons help support the organization and keep costs low for applicants.

Based in Nashua, New Hampshire, Worthen is a family-owned, ISO 9001 certified manufacturer of coatings, adhesives and coated substrates. Operating five factories in the United States, the company is committed to responsible manufacturing and environmental sustainability throughout its operations. Perception Wide Format Media is a brand of products within Worthen that specializes in creating premium canvas and fabrics.

"Perception Wide Format is proud to be supporting the SGP Partnership as we help its members by developing more sustainable graphic products that will allow them to create more value for their customers," comments Jim Tufts, business unit manager at Worthen. "Along with our products and a sustainable corporate culture here at Worthen, we are contributing to the protection of our environment and conserving our natural resources."
